1. The evacuation of all civilians from the town of Jachymov is being planned. The government administrative offices are to be transferred to Ustrev.
2. According to recent estimates, some 120,000 men are being employed in the digging of uranium ore in the Jachymov area. This figure includes 30,000 to 35,000 Germans. Every day approximately 25 buses transport miners from Karlovy Vary to the Jachymov pits.
3. Three new pits have been opened near the point where the highway leading north from Jachymov comes to a fork leading to Abertamy and Bozi Dar. Several hundred workers are employed here, but the workings are still very shallow. Trial shafts are being sunk all around the new pits. The following is a sketch of the locality:
